EDUCATION

2024 - 2025

TOP TRAINING INSTITUTION

- Intensive full-stack web development program focusing on MongoDB, Express.js, React, and Node.js
- ...

2024 - 2025

SKILLS

- React js
- JavaScript js
- TailwindCss
- Bootstrap
- Node js
- Express js
- MongoDB
- Word press

LANGUAGES

- English (Fluent)
- Amaharic (Fluent)
- Oromic (Fluent)
- Arabic (Basic)

PROFILE

Enthusiastic and motivated MERN Stack Developer with a strong foundation in JavaScript technologies. Proficient in building responsive user interfaces with React.js and developing robust backend solutions with Node.js and Express. Experienced in MongoDB database design and RESTful API development. Eager to apply my full-stack skills in a collaborative team environment and contribute to building scalable web applications while continuing to learn and grow as a developer.

WORK EXPERIENCE

- Borcelle Studio** 2035 - PRESENT
Full-stack website developer
 - Completed 300+ hours of intensive full-stack development training in MongoDB, Express.js, React, and Node.js
 - Developed 5+ full-stack web applications from concept to deployment, implementing both frontend and backend functionality
 - Built RESTful APIs using Node.js and Express.js, handling user authentication and database operations
 - Created responsive user interfaces with React.js, utilizing hooks and component-based architecture
 - Managed version control using Git and GitHub, following collaborative development workflows
 - Deployed applications using platforms like Netlify, Vercel, and Render
 - ...
- Technical Achievements:** 2024 - 2025
 - Reduced application load time by 30% through code optimization and efficient API calls
 - Improved code quality by implementing ESLint and following consistent coding standards
 - Successfully deployed 100% of completed projects to live production environments
